

## Greetings NGC Landscape Design Course 3 Students!

In less than 6 weeks we will all converge on the Burne Davis Botanical Gardens, Home of the Fort Myers-Lee County Council Building, for Landscape Design Course 3. Many of you joined us for Course 1 in October 2018 and Course 2 in April 2019. For those of you who joined us, Congratulations! You all did very well and passed. To our new students welcome to Course 3.

As a reminder there are many people from all over our state that have taken the LDS series in different areas of the state and country, often NOT as a series of 1,2,3,4. Although it's not required by NGC you take the course in a series you must take all 4 courses for certification.

Why are we sharing this with you? Because we are going to do everything we can to offer you the complete Landscape Design Course in a series so you don't have to look all over the state or country to complete your certification. We will offer the final Course 4 in 6 months, as required by NGC, April 24, 25 2020.

**\*YOU WILL RECEIVE A TRI-FOLD WITH ALL THE INFORMATION TO REGISTER FOR COURSE 4 AT THE COMPLETION OF COURSE 3.**

The same rules apply for registration of Course 4 as when you registered for Course 1 thru 3 **FIRST COME, FIRST SERVE**. Your seat assignment correlates with the order in which we receive your registration.

Please make a copy of all of the Study Outlines and Reading assignment from NGC National Gardener Magazine attachments to this email as we will not supply these at class. There will be 5 question Multiple Choice Exams, open book, for each Chapter and the Magazine article.

A Class Schedule is included in this email. Be sure to download it for reference in class. It will be a similar set up as Course 1 & 2. Lunch is included however you are welcome to bring your own.

When you come to the Council Building please park on the left side of Larchmont St. between the Burne Davis Botanical Gardens and The Edison Ford Winter Estates. There will be signs.
